

BlackBerry® Curve™ 8520

Combining the performance, efficiency and power of the BlackBerry brand with affordability and cost efficiency, the BlackBerry® Curve™ 8520 smartphone offers businesses the opportunity to access the latest BlackBerry technology at an incredibly low price (or at the price of a standard mobile device).

Ideal for...

Businesses of any size that want access to the complete suite of BlackBerry® functions in one affordable solution. Offering a compact design, full QWERTY keyboard, Trackpad control as well as dedicated multi-media keys, fast data transfers and enhanced phone, email and text communication, the new BlackBerry® Curve™ 8520 smartphone will help to increase the productivity and efficiency of your business while providing a stylish, modern and multi-featured solution.

A closer look...

- Keep running costs under control with an affordable entry-level smartphone with BlackBerry functionalities
- Easy to set up with simple operational controls
- Send and receive emails in real-time, synchronise over the air with your desktop¹, as well as open and amend Microsoft® Word, Excel® and PowerPoint® attachments using the pre-loaded Documents To Go® applications
- Transfer files between device and computer using micro USB connection
- New Trackpad design uses optical technology – simply trace your finger over the pad to scroll and select
- Provides optimum viewing with a large, bright, high-contrast colour display screen
- Provides enhanced web mail, working with multiple email accounts
- Facilitates conference calling and enhanced background noise cancellation
- Optimises team efficiency with direct access to Customer Relationship Management (CRM) systems including Salesforce.com, SAGE SalesLogix, Goldmine and Maximizer¹

Packed in features...

- Sleek, compact design that is both easy to use and robust
- Combines email, phone and text for optimum business efficiency
- Enables call forwarding and voicemail attachment playback
- Integrated contact list, calendar, memo pad and task list
- Enhanced design featuring a track pad for easier use and improved reliability
- Dedicated media keys enabling access to both work and entertainment applications including BlackBerry® Media Player, BlackBerry® Media Sync and Roxio® media software
- Premium BlackBerry® media player for videos, music and photographs
- Access to BlackBerry smartphone versions of Facebook®, Flickr® Photo Uploader, MySpace®, IM and BlackBerry® Messenger
